SUMMARY

Innovative Software Developer and recent B.Tech CSE graduate with a proven track record of architecting and deploying enterprise-grade systems for the healthcare and education sectors. Combining a highly energetic approach to problem-solving with hands-on expertise in Python, Android, and cross-platform development. Recognized for rapid execution—including a top-tier placement at a state-level IBM hackathon—and eager to bring fresh, scalable ideas to a dynamic engineering team.

WORK EXPERIENCE/ KEY PROJECTS

Freelance Software Developer

Enterprise Hospital Management & Billing Suite, Freelance Software Developer

- Architected and deployed a comprehensive, custom-built hospital management system for **Shree Bhagwant Superspeciality hospital, Barshi** to digitize their entire operational workflow.
- Designed a complex, highly efficient multi-panel architecture separating user environments for Billing, Administration, and Receptionists based on the hospital's internal requirements.

AcademiX-Pro

- Engineered and deployed a purpose-built Enterprise Resource Planning (ERP) solution designed entirely around the specific administrative and operational needs of the client school.
- Live Deployment at Arnav English Medium School, Vairag.

EDUCATION

B.Tech Computer Science and Engineering

Dec 2021 - Aug 2026

- Dr. Babasaheb Ambedkar Technological University, Lonere

AWARDS AND ACHIEVEMENTS

- Finalist- IBM Skillbuild State level Hackathon 2025: Recognized for rapid execution, innovative problem-solving, and the ability to deliver functional software under strict time constraints.

ADDITIONAL INFORMATION

- **Technical Skills:** Python (Flask, FastAPI), Android (Java/XML), Firebase (Firestore, Authentication), Electron, PostgreSQL
- **Languages:** English, Marathi, Hindi
- **Certifications:** Participated in the course "Hands-On Approach on AI for Real-World Applications", organized by IIT Kharagpur AI4ICPS in collaboration with TCS iON – 2025
- **Awards/Activities:** Finalist- IBM Skillbuild State level Hackathon 2025
